PROFILE SUMMARY

Motivated Bachelor of Computer Applications (BCA) student with strong foundations in Python, Web Development, and Open Source contribution. Skilled in Django, React, Node.js, MongoDB, and Git. Passionate about Backend Development, Full-Stack Development, and Problem Solving. Seeking internship opportunities to gain industry experience and contribute to impactful software projects.

EDUCATION

Bachelor of Computer Applications (BCA) CGPA: 8.5	2024 – 2027	SDJ International College, Surat, Gujarat
Higher Secondary School	2022 – 2023	Sanskar Vidhya Sankul, Surat, Gujarat CGPA: 7.9

TECHNICAL SKILLS

Programming Languages	Python, C, HTML, CSS, JavaScript	Frameworks
Django, React.js, Node.js, Express.js, Bootstrap	Databases	MongoDB, MySQL, SQLite
Git, GitHub, VS Code, Figma	Technologies	Tools
OOP, Data Structures, Problem Solving		MERN Stack, REST APIs Concepts

PROJECTS

AI Chatbot <i>Python Project</i>	2024
- Developed a chatbot using Python with basic NLP concepts. - Implemented intent recognition and conversation handling. - Improved understanding of Python programming and text processing.	
Movie Website <i>Web Development Project</i>	2024
- Built a responsive movie showcase website using HTML, CSS, JavaScript, and Bootstrap. - Implemented modern UI design and mobile responsiveness. - Displayed movie details and trailers through an interactive interface.	
Number Guessing Game <i>C Programming Project</i>	2023
- Created a command-line game using C language. - Applied loops, conditions, and random number generation. - Strengthened logical thinking and programming fundamentals.	

EXPERIENCE

Open Source Contributor <i>Remote</i>	2024 – Present
- Contributed bug fixes and documentation improvements to open-source repositories. - Collaborated with maintainers using Git and GitHub workflows. - Participated in issue discussions and feature enhancements.	

ACHIEVEMENTS

Winner – Blind Coding Competition

Winner – Error Finding Competition

Active Open Source Contributor

EXTRA-CURRICULAR ACTIVITIES

Participated in inter-college coding competitions.

Volunteered at technical workshops and events.

Contributed to the college technical magazine.

PROFILE HIGHLIGHTS

Strong interest in Backend and Full-Stack Development.

Passionate about Open Source and Software Engineering.

Quick learner with excellent analytical and problem-solving skills.

Effective communicator and collaborative team member.
